A CHALLENGE

Figure it out for yourself,
You've all that the greatest have had;
Two arms, two hands, two legs, two eyes,
And a brain to use if you would be wise,
With this equipment they all began--
So start from the top and say, "I can."

You are the handicap you must face,
You are the one who must choose your place,
You must say where you want to go,
How much you will study the truth to know;
God has equipped you for life, but He
Lets you decide what you want to be.

Courage must come from the soul within,
You must furnish the will to win.
So figure it out for yourself,
You were born with all that the great have had;
With your equipment they all began,
Get hold of yourself and say, "I can."

Senior Class Will

We, the class of 1954, in the village of Bloomville, county of Seneca, State of Ohio, the United States of America, being of sound mind and body, do hereby bequeath our prize possessions, habits, and abilities to trustworthy underclassmen, who will, we are sure, be able to make use of and develop the respective bequests. May these heirs ever hold their possessions in great esteem and be worthy of the trust placed in them by the departing Seniors. In this manner do we dispose of our possessions:

ARTICLE I.

Item I - To the Juniors we leave three things: (1) the anticipation of a well-earned trip, (2) the pleasure of reliving their school memories by putting together an Annual, and (3) the realization that their goal--graduation--is almost in sight.

Item II - We leave to the Sophomores the desire to be good basketball players and sportsmen, and the will to achieve that desire.

Item III - We leave to the Freshman Class all of our old broken down horns and strained vocal cords.

Item IV - We will to the seventh and eighth grade pupils a sufficient number of partners of their own age group, so that they will not have to choose an "older" man or woman. We also leave them all the worn books we used in years past and all left-over bookcovers.

Item V - For their meetings in the library we leave to the school board a new table equipped with three ash trays.

ARTICLE II.

To the Faculty, we bequeath the following:

Mr. Porter - A brand new laboratory. He needs one after the many explosions we caused.

Mr. Siegfried - Ten giant notebooks to keep track of the minutes the pupils are made to stay in at noon.

Mrs. Swearingen - Our thanks and gratitude for the many ways in which she helped us as our advisor.

Mr. Sidnell - A way to control his temper when the noise in music class is getting deafening. We hope he quiets the noise to a dull roar.

Mrs. Detterman - The means of detecting book reports which have been written without the books having been read.

Miss Kagy - The ability to teach the Ag. boys to cook and sew in six weeks.

Mr. Herrod - As he is not very tall, we leave him a pair of stilts which were made by the boys in Shop.

Mr. Pinkley - A bottle of Hot Stuff to rub down the basketball team.

ARTICLE III.

I, Gertrude Ball, will my quietness to Joyce Murphy.
I, June Blam, will my class ring to Don Ziegler to wear on his little finger.
I, Edward Dolch, will my strength to Tom Valentine.
I, Elaine Dunn, will my Attica class ring to Barbara Kagy.
I, Ronnie Earick, will my chemistry book to Don McNeal.
I, Bob Emerson, will my artistic talents to Melvin Smith.
I, Leonard Farr, will my eating capacity to John Cooper.
I, George Hemminger, will my leadership qualities to Eddie Lutz.
I, Gay Hossler, will my arguments with Mr. Siegfried to Marjorie Wertz.
I, Pat Kaseman, will my majorette suit and whistle to Ann Chaney.
I, Ann McClelland, will my shortness to Marjorie Miller.
I, Don Miller, will my hot-rodding ability to Phil Dunn.
I, Jim Morlock, will my flirting technique to Carl Hopkins.
I, Cecil Sayre, will my "sleeping on Monday" habit to Boyd Mullholand.
I, Harold Seiple, will my wavy hair and my comb to Norman Noss.
I, Raymond Zeiter, will my height to Steve Katona.

ARTICLE IV.

To the janitor, Ralph Harding, we leave a supply of dust rags and a rag mop.

To the cooks, we give the Juniors in the hope that they will behave as well as the cooks say we have.

To the bus drivers, we leave a supply of riders who know how to behave.

In witness whereof, we have here unto signed our names, this 25th day of May in the year of Our Lord nineteen hundred and fifty-four.

Senior Class Prophecy

It is the year 1974, the twentieth reunion of the class of 1954. The reunion is taking place at the Motel of Mr. and Mrs. Jerry Biller in Florida. Mrs. Biller was formerly Ann McClelland, a graduate in Bloomville's Class of 1954. Jerry also was a member of the class until he moved to Florida with his parents. Some of the old classmates arrived last night and stayed at the Motel. Wow! If the fancy cars parked around here are theirs, they must have really made good in this world.

Well, here comes the adviser of the class, Mrs. Henry Swearingen. Both she and her husband have retired and are living here in Florida, just down the road a little way from the Motel.

These people should be getting up soon. Well, here comes one now. It's June Blum Ziegler. June and Don now run one of the biggest dairy farms in the United States, including Texas. Don was unable to come along as he had to look after the farm.

One of our classmates has become a famous movie actress. Yep! You guessed it! It is Gay Hossler, who is now going by the name of Tallulah Bunkbed. Her husband is another famous name in the movie world, Pyrone Tower.

As you know we had a very good artist in our class--Bob Emerson. He is very famous now. He draws a comic strip for the Bloomville Gazette called "My Little Janet".

Here comes Pat Kaseman driving Dick Cooley's 1973 Chevrolet. She is still living with her folks in Bloomville. We hope she and Dick make it to the altar soon or Pat will be an old maid.

Gertrude Ball's leadership ability is still at its best. She is now a general in the Waves and still has her good looks--on the land as well as on the sea.

Ronnie Earick has done very well in the business world. He is now proprietor of the Clover Farm Store in Bloomville. His slogan is "If you live in town and don't own a farm, Buy your country meats at the Clover Farm."

Cecil Sayre's ambition was to become a newspaper writer and he did. He is a writer for the Toledo Blade. He has also written many novels, his latest entitled "The Accidental Suicide of Trigger Happy Jones".

Two boys in our class followed in their father's footsteps. One of them, Don Miller, has taken over his father's painting business which is now called "Miller's Daubing Service". The other boy, Leonard Farr, now owns the Shell Station started by his dad and calls his business "Bum's Shell". We are happy to see that two of our classmates made good in our hometown.

Well, here comes our big boy, the one and only Raymond Zeiter. Ray was a basketball star in high school and is now star center for the Minneapolis Lakers. His coach, George Mikan, says Ray is the best.

We hear that Harold Seiple is married and living in Coshocton, Ohio. As you probably know Coshocton is the home town of his wife, the former Sue Burris.

Ed Dolch also made good in dairy farming with his Ayrshires. Ed is not yet married, but is writing to a young lady, or shall we say "an old maid" in Texas.

Jim Morlock is now a dealer in antique cars. His favorite, which he has had for a number of years, is a 1930 Willys. Jim isn't married, but his antiques surely attract the dames.

Here comes the only redhead in our class. You all remember her as Elaine Dunn but she is now Mrs. Robert Levins of Attica. She has twin daughters, both of whom have bright red hair.

The only member of the class who hasn't arrived yet is George Hemminger. But here he comes now with his wife, Juanita, and two little boys, George Jr. and Orley. George is now living in Republic and is still helping his brother-in-law farm.

It is certainly a pleasure to see all of the members of Bloomville's Class of 1954 again. I'm sure everyone will agree that they have all done well for themselves.

Senior Class Play

The Seniors of 1954 presented as their class play a three-act comedy by Robert St. Clair called "Babies' Night Out." Mrs. Swearingen, class adviser, directed the play, which was presented on Friday evening, April 23rd, in the school auditorium. The play dealt with baby sitters and their problems, and provided an evening of hilarious entertainment. Each member of the class had a part in the play, the cast of which was as follows:

Gertie Ranger, a young wife . . . . . Gertrude Ball
Opal Peebles, her next door neighbor . . . Gaye Hossler
Bob Peebles, Opal's husband . . . . . .Don Miller
Tommy Ranger, Gertie's husband . . . . . .Ronnie Earick
1st Man, a husky young mover . . . . . Leonard Farr
2nd Man, his helper . . . . . .Edward Dolch
Patricia (Peep) Manville, a teen-ager . . . Pat Kaseman
Bill Blodgett, her boy friend . . . . George Hemminger
Shirley Bond, another baby sitter . . . .Ann McClelland
Janie Carr, still another . . . . . June Blum
Bob Drake, and yet another . . . . . .Bob Emerson

Junior - Senior Banquet

The Juniors broke with tradition this year, when they decided to hold the Junior-Senior Banquet here at school. The gymnasium was beautifully decorated in a Hawaiian theme and the Hawaiian motif was carried out in the dinner, and in the entertainment which followed. The party was semi-formal, and was held on May 14, 1954.

Senior Class Trip

On Sunday evening, May 16, 1954, we Seniors with our chaperones, Mr. and Mrs. Henry Swearingen, boarded the B & O "Columbian" at Tiffin. The next morning we arrived in Washington where we spent two days visiting the many beautiful and historical buildings in and around Washington. Then we went on to New York,where we had three days filled to the brim with sightseeing, trips to radio and television studios, shopping and picturetaking. We left for home on the "Shenandoah", and arrived the next morning (Friday) at the station in Tiffin where we were met by our friends and families. We were a very tired and wornout bunch of boys and girls, but we all agreed that the trip was worth all the work and effort we had put forth to earn the money to make it possible.

Baccalaureate & Commencement

Baccalaureate services were held in the school auditorium on Sunday evening, May 23, 1954. Mr. Sidnell played the processional, and vocal music was furnished by members of the music department.

Commencement exercises took place on Tuesday evening, May 25, 1954. The traditional "Pomp and Circumstance" was played as an instrumental processional. Vocal music was provided by members of the graduating class.Robert Emerson was class salutatorian and Leonard Farr, Jr. was valedictorian. Our speaker was Dr. Ronald E. Thompson, Ohio State University Examiner.

This year our baseball team was very successful, winning six out of eight games. Three of the games were played in the county tournament, which Bloomville won by defeating three very rough teams. On September 29th we made our first appearance in the tournament and came out on top by defeating Old Fort, the team almost everyone had picked for the championship. We then played Hopewell-Loudon on October 2nd. Their team gave us some trouble in the first part of the game but later fell behind by a 10 to 6 score. Our last and biggest game came on October 8th. This game was it, the championship'. It seemed like a long game, but after it was all over, the Dragons had won their first championship in ten years.

The F.F.A. is a national organization designed to supplement training opportunities for boys who are progressing toward the goal of establishment in a farming business. Through F.F.A. activities, the cooperative spirit is fostered and individual talent is discovered and developed. The organization embodies the fundamentals of a true democracy. Each member has a voice in setting up policies and making rules and regulations by which he is governed. Each member also has individual responsibility resting on his shoulders, but teamwork is essential to lasting accomplishment.

Future Farmers not only work well together, but they know how to provide organized recreation for themselves and others in the community. Here again this organization of, by, and for, farm boys provides ample opportunities for games, sports and other recreational activities appealing to the farm boy. Various chapter musical organizations, as well as State F.F.A. bands, are common in all parts of the country. Many State associations, Ohio among them, own and operate Statewide camps which combine recreation and health protection with leadership training activities that reach into every chapter in the State.

F.H.A. means Future Homemakers of America. The only requirement for joining the organization is to have had or to be taking Home Economics.

As one of our projects this year we printed programs for the whole year for each member.

We attended the Seneca County Fall F.H.A. Rally at Hopewell-Loudon.

At our regular Chapter meeting on the third Thursday in October we initiated fifteen members, and also took in three honorary members. In November we entertained the F.F.A. boys at a barn dance. In December we had our Christmas Party. For other meetings during the year we had Singer Sewing Demonstrations, Flower Arrangements, a talk on Silver and China, and a farewell party for the Senior girls. In April we had a style show put on by all the girls. For this we invited our mothers. In all, we think we had a very successful and prosperous year.
